

*"Where Catholic tradition is combined with academic excellence."*

August 18, 2009

Dear Community Business Partner:

St. John the Apostle Catholic School & Parish is hosting its sixth annual Golf Classic at Heron Ridge Golf Club on October 2<sup>nd</sup>, at 1:00 p.m. As a fairly new school, we just completed our seventh year, there are many resources still needed to meet our growth. St. John's goes from Pre K through eighth grade. At St. John's we offer our students a valuable education and an education rich in moral values. Watching our children learn is one of the most rewarding experiences. Through the support of area businesses, we will be able to provide academic excellence to our students and bring our dreams to fruition. With the proceeds from this year's tournament we hope to give the school the opportunity to provide the children with much needed resources, such as books for the library, classroom instructional supplies, and technology resources.

- We are asking businesses and/or individuals to participate in the golf sponsorship program. Please refer to golf brochure attachment for the various levels, as well as the sponsorship packages you receive for supporting this event.
- Your company will receive a letter of appreciation acknowledging your donation for your tax purposes.

We hope you will be able to help us in this rewarding endeavor. If you have any questions, please call Chairperson Marie Dawson at 757-287-0788 or send an email to [mldawson@cox.net](mailto:mldawson@cox.net). Your generosity in contributing to this worthwhile event is greatly appreciated.

Sincerely,

Marilyn L. Ertel  
Director of Development
