

Dress Code for 2008-2009 School Year

Students should be in full uniform on the first day of school. The purpose of the school uniform is to minimize distractions and direct students' efforts toward who they are and the important business of their education. Personal appearance and cleanliness affect the academic progress of the student. All uniforms must be sized to fit and be worn properly. Students must be dressed neatly, modestly and appropriately in properly fitting uniforms at all times. Dress uniform is **required** for Mass and special school functions. New students will be given sufficient time to procure uniforms. If an emergency arises at home, we understand as long as the student brings in a written note from the parent or guardian that day. It is the parent's responsibility to guarantee that the dress code is enforced.
