Improvements Suggested:

- Smaller class sizes
- Too much like a public school
- not enough time for science and social studies
- More P.E.
- More non religious academics
- Poor content for electives – especially music
- Hire a media specialist
- Need reading specialist
- Communication
- Lunch offerings – need to be more healthy enough
- Stability III
- Special ed services
- Tests too long, not enough time to do projects/reports
- Continuity with teachers
- To pay for exactly what is used in aftercare – not flat monthly rate.
- Safety
- More experienced teachers
- More organization
- Permanent principal
- Need more teacher parent interaction
- Refrain from outdoor activities in the winter
