1120 BOARD OF EDUCATION MEETINGS

Board of education meetings shall be a primary means of sharing information with community members and inviting their comments and suggestions. Regular and special meetings of the board of education are open to the public and representatives of the media, except when, by resolution at the public meeting, the board excludes the public from those parts of a meeting which deal with matters held confidential in accordance with law.

The board welcomes participation of interested organizations and individuals and will schedule time as appropriate for the public to speak. The length of time scheduled for public discussion shall be stated in the agenda, together with any time limit proposed for individual speakers.

The board will not permit unnecessary or undesirable identification of district pupils at public or board of education meetings, particularly when the pupil is subject to disciplinary action, or has been identified as having a disability. A special confidential file shall be kept of the names of pupils with disabilities on whose behalf the board must take public action. An unidentifiable coding shall be used when referring to the pupil.

Comments and questions at the end of regular or special meetings may deal with any topic related to the board's conduct of the schools. Advance announcement of all regular, scheduled special, and specially called meetings of the board is made through newspapers and other appropriate media outlets.

The board shall include a discussion of the School Ethics Act and the Code of Ethics for School Board members annually at a regularly scheduled public meeting.

In a regular meeting by September 30 of each year, the chief school administrator shall report to the board the number of pupils graduated and the number of pupils denied graduation from the prior 12th grade class.
